Octobers Meeting

Commiserations to those members who were unable to make it on the day, you missed an excellent demonstration.

John Johnson very kindly came along and shared his talents with us. He started by advising us that the day was to be an interactive day - those on the front row might be required to catch!

His first article was a limed ash bowl with a wide green rim. Just like all good demonstrators, he made it look so easy.

Sanding the edge of the bowl using a block of wood in the sandpaper to keep the edges sharp

After lunch, John showed us how to do inverted turning.

The spigot and end turned, ready for sanding

This involves turning an oval shape between two square spigots. The timber is then carefully quartered lengthways. The parts are turned and rejoined so that there is a hollow in the middle. The outside is then turned and the ends made round.

To finish off, John turned some fruit. The finish he obtained was like gloss even though the highest grit he used was 320.

Just look at that finish!

Hot Tips

Straight from John Johnson:

“If you can smell pork cooking when you are sanding, it’s probably your fingers burning!

Try moving your sandpaper.

A.G.M. 10:00 a.m. 7 December, The Comet, Peterborough

Our Annual General Meeting is due in December. This is your chance as members to have a say in the running of the club and to elect representatives for the coming year. Current committee members are:

Chairman	R Buckley	Vice Chairman	B Weston	Secretary	B Norris
Treasurer	D Bayley	Committee	M Wickham	Committee	M Turner
Committee	T Plumstead	Committee	D Hearne		

If you would like to assist next year, have a word with any committee member. Getting nominated (and probably elected!) should not be a problem.

Please use the time between now and the A.G.M. to give some thought as to how you would like to see the club develop and any events that you would like to see organized next year.

Please note all nominations or items for inclusion in the Agenda must be received by 23rd November.

Subs

We anticipate being able to hold the subs at their present level of £10 for yet another year. Please accept this as an early reminder that subs will be due along with AWGB subs at the A.G.M.

DATA PROTECTION

All members will be sent a printed copy of this newsletter together with copy of the data this club holds about you. We need to ensure periodically that it is up to date and accurate. Please check it and, if amendments are required, please advise as indicated on the form.
